# Cheese Labels

The image shows a template for cheese labels on a light brown, textured background. At the top left, the text "Cheese Labels" is written in a black, sans-serif font. Below the text, there are two columns of labels. Each label is a horizontal rectangle with a decorative, zig-zag border on its left and right sides. The labels are arranged in two columns of six, separated by a vertical dashed line. The top label is partially cut off at the top edge of the page.

# TASTING GUIDE

## *Appearance:*

Here's your chance to judge based on appearances with everyone's blessing. Note the color, viscosity, sediment, and any 'legs' left on the side of the glass.

## *Aroma:*

Get your nose in that glass and draw a good, long sniff. What do you detect? Florals? Smoke? Fruit? Wet dog?

## *Taste:*

Finally, the good part! Is the wine balanced, mild, or strong? Is it sweet? Herby? Dry? Do you like it, or want to move on?

## *Finish:*

Did the flavors hang around after you swallowed? Did they change at all? Did you detect hints of anything new?

## *Overall:*

Did you like it? Would you be proud serve this wine to guests at your own party, or is it better used as fertilizer?
